## **Facilities & Activities**

The estate is brushed with striking hues, as if from an artist's pallet, and transforms from deep greens to shades of bronze ahead of the colourful bursts of spring. Enjoy long walks along the contoured pathways and drop down along a mountain stream which feeds a series of well stocked trout dams. And it is here that you are invited to hone your skills in the fine art of fly fishing. For the novices who are keen to try their hand at fly fishing for the first time, one of our hosts will gladly take you through the steps before trying to catch the wily rainbow trout. For the more adventurous, we suggest saddling up to explore the estate.

### **Fly Fishing**

14 lakes and dams, all stocked with rainbow trout, make Walkersons a fly-fishers paradise.

### **Swimming pool**

Relax around our pool area when weather permits

### **Gym**

The gym is fully equipped with free weights and for the cardio enthusiasts there is a rowing machine, treadmill, stepper and stationary cycle.

### **Picnicking**

Our picnic basket consists of a variety of delicacies to be enjoyed in the open air spaces of Walkersons Hotel along the beautiful winding rivers and waterfall. We cater for all dietary requirements and on your request we can set up the picnic spot for you. The basket includes water and juice and we invite you to choose a special bottle of wine or champagne from our award winning wine cellar to complete your picnic

### **Walking & Hiking**

A network of paved paths extends throughout the 800 hectare estate and up into the mountain reserve, making walking trails pleasantly simple. In fact, in the valley, over 3000 meters of paved paths make it easy for either a hearty jog or a lazy, pleasant riverside stroll. Alternatively our more energetic hike to the top of the estate will take you closer to the wild game which includes Impala, Zebra, Blue wildebeest and Bles buck, and offers truly panoramic and spectacular views.
